MAGNOLIAS IN BLOOM

Magnolia trees in bloom are regarded by the wise ones as an unfailing sign of early spring. These trees are now in full bloom everywhere, perhaps somewhat earlier than usual. A large magnolia tree with beautiful pink blossoms, in the yard of Dr. Geo. S. Varden, on High street, and another, with pure white blossoms, on the Massie lot, in the Paris Cemetery, attracted the attention and admiration Sunday of all who saw them. Spring is here, or at least, just over the hill!
